

Health Information Management Coder at Moab Regional Hospital

Moab Regional Hospital is looking for a Health Information Management (HIM) Coder to join our Medical Records team. This position works closely with physicians and other departments to ensure that our coding and billing is in compliance with all ICD-9/10, DX coding, and CPT procedure coding rules and regulations. The ideal candidate for this position is a clear and professional communicator with previous knowledge of coding guidelines and excellent attention to detail.

What makes Moab Regional Hospital a great place to work?

- Insurance and Retirement Benefits
- Predictable Schedules
- Collaborative and Supportive Workplace
- Continuing Education, Trainings, and Tuition Assistance
- Professional Growth Opportunities

Our people make the difference. We promote from within and fully support our staff as they build careers in healthcare and related fields. Our administration, medical staff, and clinical and non-clinical staff work closely together to foster a low-stress work environment and a positive work-life balance so that you can enjoy all that the Moab area has to offer. Please visit www.mrhmoab.org to learn more about our organization.

What makes Moab a great place to live?

- Easy access to thousands of hiking, biking, and motorized recreational trails
- World-class river rafting and other water-based adventures
- Two National Parks and one State Park immediately accessible
- Mountain range close to town for winter sports and a break from the summer heat
- High quality of life in an idyllic, rural resort town

Moab is surrounded by some of the most stunning red rock landscapes on Earth. The area provides easy access to beautiful outdoor scenery, adventures, and thousands of years of archeological and paleontological history.

Small Hospital, Big Scope of Practice!

Due to the rural location of MRH, our ideal candidate must possess a comprehensive range of coding and compliance knowledge and skills, and be able to adapt and learn new skills without hesitation. This position will call on your ability to respond quickly and accurately in a wide variety of situations. Whether you're continuing your education on current coding requirements, supporting staff development, or improving coding system, you'll be continually challenged to innovate and invent. This position requires an autonomous, independent thinker with excellent communication and people skills. This is a full-time, year-round, benefited position.

Required Qualifications

- Working knowledge of ICD-10 CM, ICD-10 PCS, CPT, HCPCS and CPT modifiers
- Working knowledge of coding guidelines
- Excellent attention to detail
- Ability to communicate effectively and professionally
- Billing experience or willingness to learn
- General computer skills
- Coding certification, *preferred*
- One to three year experience coding, *preferred*

Moab Regional Hospital is proud to be a Drug Free Workplace and EOE.
