

## **Environmental Services Technician (EVS)**

Moab Regional Hospital is actively seeking one Environmental Service Technician to join our team! This position is primarily responsible for providing a constant supply of clean linens to the hospital and will back-up the housekeeping staff when needed. EVS team members are a critical part of our hospital's operations. At MRH, Environmental Services Technicians provide a safe and comfortable healing environment for our patients by ensuring clean, sanitary and attractive facilities. EVS staff members follow standard procedures in the safe use of cleaning chemicals and the safe disposal of infectious trash and waste in accordance with OSHA standards. At MRH, Environmental Services Technicians have the opportunity to make a difference in the lives of our patients every day through courteous and efficient service. This is a full-time, benefited, year-round position, Wednesday through Sunday, 4:00 PM to 12:30 AM.
