

Med/Surg Registered Nurse at Moab Regional Hospital

Moab Regional Hospital is seeking to hire qualified, full-time Med/Surg RNs to provide direct and indirect patient care in the medical-surgical department, from post-partum neonates to geriatrics. Specific areas of responsibility will include medical, surgical, high acuity, rehabilitative, skilled, and pediatric. Due to the rural location of MRH, the right candidate will be excited to perform a wide range of general nursing duties. This is a great opportunity for a nurse looking to expand their skill sets, given the wide range of patient needs, ages, and acuities. There are also opportunities to expand into post-partum care and infusion and wound therapies as well as cross-train in the Emergency Department and/or PACU. This is a full-time, year-round, benefited position and will be scheduled to regularly work 6x 12-hour shifts. There are daytime and nighttime positions available.

MISSION: Our dedicated team puts the patient first, delivers quality cost-effective healthcare and promotes wellness to all we serve.

VISION: From patient care to community wellness, we serve as your portal to health.

What makes Moab Regional Hospital a great place to work?

- Year Round Employment
- Job Security
- Predictable Schedules
- Collaborative and Supportive Workplace
- Professional Growth Opportunities
- Full benefits: Insurance, Retirement, Ongoing Education, and more

Our people make the difference. We promote from within and support our staff as they build careers in healthcare and related fields. Our administration, medical staff, and non-clinical staff work closely together to foster a fast-paced work environment and a positive work-life balance. With reliable schedules and year-round employment, you can enjoy steady work and still have time to enjoy all that the Moab area has to offer.

Minimum Qualifications

- Current, unencumbered Utah or compact state RN license.
- Graduate of an accredited school of nursing.
- Current BLS certification; current ACLS and PALS certifications or ability to obtain within six months of hire.
- Must be willing to earn NRP certification and provide patient care appropriate to certification.
- Knowledge of infection control principles, patient safety techniques, and prevention of adverse reactions to medications/treatments.
- Demonstrated critical thinking skills and ability to maintain same in situations with rapidly changing circumstances.
- Self-motivated and able to work successfully both independently and as part of a team.
- Great customer service and communication skills, including oral, written, and listening skills.
- Able to receive and manage sensitive information professionally and maintain confidentiality at all times.
- Able to handle stressful situations calmly and professionally; emotionally mature.
- Reliable and timely with work schedule.
- Flexibility and willingness to accept other duties as assigned.

This job description is not designed to contain or be interpreted as a comprehensive inventory of all duties, responsibilities, and qualifications required of employees assigned to the job.

Moab Regional Hospital is proud to be a Drug Free Workplace and EOE.
