

## **Urgent Care Nurse (RN, LPN)**

Moab Regional Hospital is seeking qualified candidates for one full-time position within the Urgent Care department. This position provides direct patient care in the Urgent Care setting, using the appropriate process in accordance with applicable scope and standards of practice and with the policies, values, and mission of Moab Regional Hospital and Moab Regional Health Center. This position provides a great variety of direct patient care in a fast paced urgent care clinic. Emphasis is on acute care visits including treatment of a vast assortment of sicknesses and injuries. This position has the opportunity to utilize critical thinking and a wide range of vital skills for patients of all ages. This is a great opening for someone that enjoys the rapid pace of a thriving urgent care clinic and the excitement and variety of patient care opportunities that come along with it. This is a full-time, benefited, year-round position. Evening and weekend shifts required.

### **What makes Moab Regional Hospital a great place to work?**

- Wide range of benefits, including insurance, retirement, and paid time off
- Collaborative and supportive workplace
- Professional growth opportunities including continuing education, trainings, and more!

Our people make the difference. We promote from within and support our staff as they build careers in healthcare. Our employees are energetic, collaborative, and passionate about serving our community. You can enjoy steady work and still have plenty of time to enjoy all that the Moab area has to offer.

### **Minimum Qualifications**

- Minimum 2 years nursing experience.
- Current, unencumbered Utah or compact state RN or LPN license.
- Knowledge of infection control principles, patient safety techniques, and prevention of adverse reactions to medications/treatments.
- Demonstrated critical thinking skills and ability to maintain such in situations with rapidly changing circumstances.
- Demonstrated communication skills, both orally and in writing, with providers, co-workers, patients, and patient families.
- Must possess high level of self-motivation and management. Must be comfortable working both independently and as part of a small team.
- Knowledge of computer systems, data entry and electronic medical records.
- Schedule flexibility, including willingness and ability to regularly work evenings, weekends and holidays.
- Able to lift/move up to 50 lbs. without assistance and lift/move weights beyond 50 lbs. with assistance.
- Ability to work in a confidential manner.
- Reliable and timely with work schedule.
- Flexible and willing to accept other duties as assigned.
