

## **MA, CNA, or EMT at MRH Specialty Clinic**

Moab Regional Hospital is seeking to hire a dynamic MA, CNA, and/or EMT to join our team. As a member of our Specialty Clinic, you will work closely with the clinic physicians and support them to ensure the highest quality care to patients. This position is ideal for someone excited to work with a variety of providers and a wide ranging patient population. As the first point of contact with patients during their appointments, you will play a critical role in creating a positive and warm interaction while discussing the patient's reason for their visit. Responsibilities will also include taking vitals (blood pressure, temperature, etc.) and assisting the provider with clinic-based procedures. This position will require some clerical work and patient follow up calls as well. Our ideal candidates for this position will have prior experience in the medical field, excellent people skills, and a desire to work long-term as part of a professional team. This is a full-time, benefitted, year-round position; the schedule is anticipated to be mostly Mondays-Fridays with an occasional Saturday.

### **What makes Moab Regional Hospital a great place to work?**

- Wide range of benefits, including insurance, retirement, and paid time off
- Collaborative and supportive workplace
- Professional growth opportunities including continuing education, trainings, and more!

Our people make the difference. We promote from within and support our staff as they build careers in healthcare. Our employees are energetic, collaborative, and passionate about serving our community. You can enjoy steady work and still have plenty of time to enjoy all that the Moab area has to offer.

### **Minimum Qualifications**

- Prior experience in the medical field, required. Current or prior MA, CNA, or EMT Certification within the State of Utah, preferred.
- Basic Life Support (BLS) certification, or ability to obtain within two months of hire.
- Excellent customer service and communication skills including oral, written, and listening.
- Ability to multi-task effectively in a fast paced work environment.
- Must work well as part of a team and comfortable working independently.
- Must possess strong critical thinking skills and ability to problem solve independently.
- Able to lift/move up to 20 lbs. without assistance and lift/move weights beyond 20 lbs. with assistance.
- Ability to work in a confidential manner.
- Reliable and timely with work schedule.
- Flexible and willing to accept other duties as assigned.

Moab Regional Hospital is proud to be a Drug Free Workplace and EOE.
