

Nurse Manager for Urgent Care

Moab Regional Hospital is seeking qualified candidates to fill the Urgent Care Nurse Manager position. This role provides general oversight for Urgent Care. Responsibilities include day-to-day supervision of the urgent care; implementation, tracking and monitoring of performance improvement and patient satisfaction initiatives and ensuring and maintaining competencies of staff members. Many responsibilities will focus on scheduling and management of the department (10-12 staff members), as well as budgeting and collaboration with UC providers. This position is expected to work closely with other department managers to help ensure the highest quality of care for our patients. The ideal candidate is a dynamic leader with a passion for clear communication and employee-led problem solving who believes in working along-side staff members. Individuals with excellent self-management who enjoy autonomy will thrive in this roll. This is a full-time, year-round, salaried position (40+ hours/week).
