

You have the right to receive a “Good Faith Estimate” that explains how much your medical care will cost.

NOTICE OF RIGHT to GOOD FAITH ESTIMATE

Under the law, healthcare providers need to give PATIENTS WHO DO NOT HAVE INSURANCE or WHO ARE NOT USING INSURANCE an estimate of the bill for medical items and services.

- You have the right to receive a Good Faith Estimate for the total expected cost of any non-emergency items or services. This includes related costs like medical tests, prescription drugs, equipment, and hospital fees.
- Make sure your healthcare provider gives you a Good Faith Estimate in writing at least one business day before your medical item or service. You can also ask your healthcare provider, and any other provider you choose, for a Good Faith Estimate before you schedule an item or service.
- If you receive a bill that is at least \$400 more than your Good Faith Estimate, you can dispute the bill.
- Make sure to save a copy or picture of your Good Faith Estimate.
